## SOUTH AND NORTH SIDES ARE READY

Annual Ball Game Between the Merchants of Different Sides of River Scheduled For Thursday Afternoon.

Thursday afternoon has been practically decided upon as the date for the annual baseball contest between the merchants of the north and south sides. Both aggregations are ready and will be on the field on this day.

The south side has a galaxy of well known local diamond artists and are confident of adding another victory to their list. The men on the north side have been organized for some time however and although little is or has been said the report has leaked out that several practices have been in order on this side of the river.

W. Russell is the manager of the south side aggregation and the lineup has been practically determined upon. That is the line-up that will start the game. Calls for relief are expected to be quite frequent as it has been a long time since some of the boys stuck through nine innings. Therefore anybody employed in the downtown stores who can toss a ball or handle a bat is pretty sure to get a chance to display his knowledge of the national game next Thursday.

Those who will start the game are the following: Payette, c; Kiskadden, Goethals, p; Forstbauer, 1b; O'Neill, 2b; Krueger, 3b; Woodka, ss; Krushanski, lf; Hoerstan, cf; Page, rf.

The north side lineup is yet in doubt but the following men will be in action: Jack Wambach, c; Edward Annis, Brooks Miller, c; Stubb, "Speed" Westfall, Joe Brady, Leon Tollens, David Gross, George Bock, "Irish" Lawler, Nick Bickel, E. C. Went and Charles Webster.

Besides the exercise the game this year will have another purpose in view. Contrary to the regular custom a small admission fee will be charged at the gate and the receipts used to complete a small section of the fence around the north side grounds. There is about 30 feet required in the rear of the bleachers to finish the enclosure and the merchants are going to do the work with this game.

The two teams expect great support during the game as every merchant who does not play is expected to turn out and root for his respective aggregation.

## BOY'S BODY IS FOUND IN A CLUMP OF BUSHES

Chicago Lad's Hands Were Tied Behind Him and Coat Sleeve Was Used as a Gag.

CHICAGO, July 28.—The body of a boy, 14 years old, was found in a clump of bushes in Morgan park Monday. There was a bullet hole in the head. In the hip pocket of the boy's trousers was a school certificate giving his name.

The body was lying face downward with the hands tied behind the back with the boy's shirt. The legs were tied with a pair of suspenders and the body's coat was lying under his head. One of the sleeves had been used as a gag. There were several bruises on the body.

Mrs. Holstein told the police that the boy had run away from home July 21.

## FOUR DIE FROM THE HEAT

AKRON, O., July 28.—Three deaths and one prostration was the toll of the oppressive heat wave which has held this city in its grip since Saturday night. Monday morning was one of the hottest days of the year, the temperature registering more than 95 degrees.

## Young Californian Brings Davis Trophy Back to U. S.

AKRON, O., July 28.—Three deaths and one prostration was the toll of the oppressive heat wave which has held this city in its grip since Saturday night. Monday morning was one of the hottest days of the year, the temperature registering more than 95 degrees.

Three hundred and fifty of the most rebellious convicts who have been under bread and water discipline in their cells for the last few days, probably will not be given their usual prison freedom until after the transfer Tuesday of 60 or more of them to Auburn.

Grattan Royal, favorite, took the 2:15 pace in straight heats. The time was 2:15.4.

The Hollywood sisters, Kate and Bertha, proved themselves the class of the field in the Northrup stake for 3-year-old trotters in the 2:15 class. Having a trade race all to themselves at the finish of each of the two heats necessary to a decision, McDonald's charge beating out Dodge's when it came to the brush.

The 2:15 trot was a regular horse race and brought to light two new 2:10 trotters in Cresote, winner of the first heat in 2:09 1-2 and Grand Marshal, winner of the second heat in 2:08 and a fraction.

Geers' Reusens challenged strong in each of the last two heats but could not reach the finish. Cresote, after winning the first, faded away in the second and then to sixth and then to last in the final.

INDIANAPOLIS, July 28.—A base on balls to Stansbury in the sixth inning, his stolen base, Livingston's overthrow of second base and Gettman's bunt of the ball in center field combined to allow Stansbury to score the first run of the game here Monday that Louisville won from Indianapolis, 3 to 0.

Not one of the visitors had reached second base up to the time of the overthrow and Schardt was pitching a wonderful game. In the ninth with Works pitching after Schardt had been called out to allow Mers to bat for him, Osborn singled. Beumiller was thrown out and Niehoff walked. Hulswit doubled to right, scoring the runners.

## BREAK EXPECTED IN REPUBLICAN RANKS ON TARIFF

Dozen Progressive Republicans Begin Conferences to Perfect Suitable Substitute Schedules.

WASHINGTON, July 28.—A division in the ranks of republican senators over the tariff revision fight became apparent Monday when nearly a dozen progressive republicans attended a series of conferences to perfect substitute schedules that will be offered to the tariff bill under the leadership of Senators LaFollette and Cummins.

The progressive republican move has grown out of the decision of leading senators identified with that faction that they would be unable to support Sen. Smoot's substitute for the woolen tariff. The Smoot substitute was prepared sometime ago, and introduced at the time the democratic tariff bill came back from the finance committee. The progressive republicans have practically agreed to center their fight on the LaFollette substitute in the hope that they can carry the balance of the republican party with them and possibly win some democrats away from Pres. Wilson's free wool plan.

Progress on the tariff bill was slow in the senate Monday. Prepared speeches were made by Senators Townsend and Warren, republicans, and short debates occurred throughout the afternoon upon specific items which the republicans held to be too radical reductions from existing law.

## Shown No Break.

The progressive republican forces so far have shown no disposition on the floor of the senate to break with their republican associates except in a few votes where they joined the democrats in support of lower duties. The conferences which began Monday, however, are expected to solidify the party with them and possibly win some democrats away from Pres. Wilson's free wool plan.

Sen. LaFollette's cotton and wool substitutes and Sen. Cummins' metal substitute were under consideration at the conference Monday, and probably will be supported by the progressives. It is said that a substitute similar to that which Sen. Bristow succeeded in getting through the senate in the last session of congress, will have the progressive strength behind it.

The senate had completed the consideration of rates on chemicals, oils, drugs and like products today and had got started in the earthenware and glassware schedules when adjournment came tonight. Speeches are to be made during the week by Senators Gronna, Thornton and others, but it is said that the detailed consideration of the bill will be before the senate almost continuously from now on.

## CLOSE WATCH KEPT ON SING SING CONVICTS

Discovery of Two Sticks of Dynamite Lead Authorities to Fear Trouble.

OSSENING, N. Y., July 28.—Close watch was kept on the convicts in Sing Sing Monday to prevent another revolt. The discovery of two sticks of dynamite in a cell Sunday night indicated that the plots of the rebellious prisoners to destroy property as a protest against prison conditions were not yet over. The dynamite is now at the bottom of the Hudson river, but it is feared that there may be more of the explosive in the prisoners' possession.

Three hundred and fifty of the most rebellious convicts who have been under bread and water discipline in their cells for the last few days, probably will not be given their usual prison freedom until after the transfer Tuesday of 60 or more of them to Auburn.

## Overthrow Gives the Game to Louisville

Powell Holds Indianapolis to Four Hits—Schardt Has Some Tough Luck.

INDIANAPOLIS, July 28.—A base on balls to Stansbury in the sixth inning, his stolen base, Livingston's overthrow of second base and Gettman's bunt of the ball in center field combined to allow Stansbury to score the first run of the game here Monday that Louisville won from Indianapolis, 3 to 0.

Not one of the visitors had reached second base up to the time of the overthrow and Schardt was pitching a wonderful game. In the ninth with Works pitching after Schardt had been called out to allow Mers to bat for him, Osborn singled. Beumiller was thrown out and Niehoff walked. Hulswit doubled to right, scoring the runners.

Powell pitched a great game for the visitors, allowing the locals but four hits. Three were infield bingles that caught the southerners napping and the other a short single to center.

## SLASHED SKIRT COMES IN FOR MORE CRITICISM

Father F. J. Jansen of Elkhart Says Women Need to be Brought to Their Senses.

ELKHART, Ind., July 28.—The slashed or slit skirt and its companion the transparent skirt, have been mercilessly scored by Fr. F. J. Jansen, pastor of the St. Vincent's Catholic church. The enactment of a city ordinance and its rigid enforcement were recommended to "bring some women to their senses."

"Any woman who wears such a costume into my church will be asked to leave or will be ejected," declared the priest Monday.

"The present trend of our civilization in this respect is distinctly backward," asserts Fr. Jansen. "It is but a step from the pinacle where we now stand to the condition of the savage tribes who wear no clothes at all. It is time for the law to step in and take a hand. If the evil cannot be checked in any other way, city council should pass ordinances against all immodest forms of dressing; to appoint police to watch for infractions with the power to order from the street any and all women who appear thereon, improperly or immodestly dressed."

## UHLAN SETS NEW MICHIGAN RECORD

In Attempt to Set a New Mark For the Comstock Track at Grand Rapids He Does a Mile in 1:59 1/4.

GRAND RAPIDS, Mich., July 28.—Before a great crowd and with ideal weather conditions prevailing, the inauguration today of Grand Rapids' third annual circuit race meeting was featured by the breaking of two records.

Foremost in interest of these was the lowering by Uhlman, driven by Trainer Doc Tanner, of all marks for Michigan tracks.

Billings' great black gelding was started to lower Comstock's track trotting record of 2:08 1-4, established by Duddy Archdale two years ago. He not only did this with ease but also bettered by three seconds the state record of 2:02 3-4, stepped by Ham-burg Belle at Detroit four years ago. Uhlman's time was 1:59 1-4.

In the third and deciding heat of the 2:05 pace, the Giffline stake, Longworth B. lowered the season's race record to 2:02 1-2. Longworth B. took this event in straight heats.

Cochato went to the post a highly fancied favorite in this event but failed to show better than third and that in the final heat. At the conclusion of the program it was announced that Walter Cochato and Driver Legg were suspended for 12 days.

The Hollywood sisters, Kate and Bertha, proved themselves the class of the field in the Northrup stake for 3-year-old trotters in the 2:15 class. Having a trade race all to themselves at the finish of each of the two heats necessary to a decision, McDonald's charge beating out Dodge's when it came to the brush.
